

*Life. Changing.*

## **Foreign Transcripts**

Any prospective student (international, permanent resident or U.S. Citizen) who is applying for admission into any Health Sciences program and who has attended a high school and/or college/university outside the United States must have their foreign transcript(s) translated (if necessary) by and evaluated by one of the agencies listed below. International students (coming to the US on a student visa) must have the evaluation sent from that agency directly to Indian Hills Community College, International Affairs Office, Trustee Hall, 525 Grandview Avenue, Ottumwa, Iowa 52501. The evaluation must include the results of any examinations required by the country of origin as proof of successful completion (Example: Ordinary Level and/or Advanced Level examination scores). In the event that a student is unable to have their high school transcript translated (if necessary) and evaluated, then the student must successfully complete the High School Equivalency Diploma and submit appropriate documentation of completion to the above office/address. All evaluations must include a GPA. At the discretion of the Director of International Affairs, students applying to non-Health Sciences programs may be required to have their high school transcript evaluated by an accredited agency.
