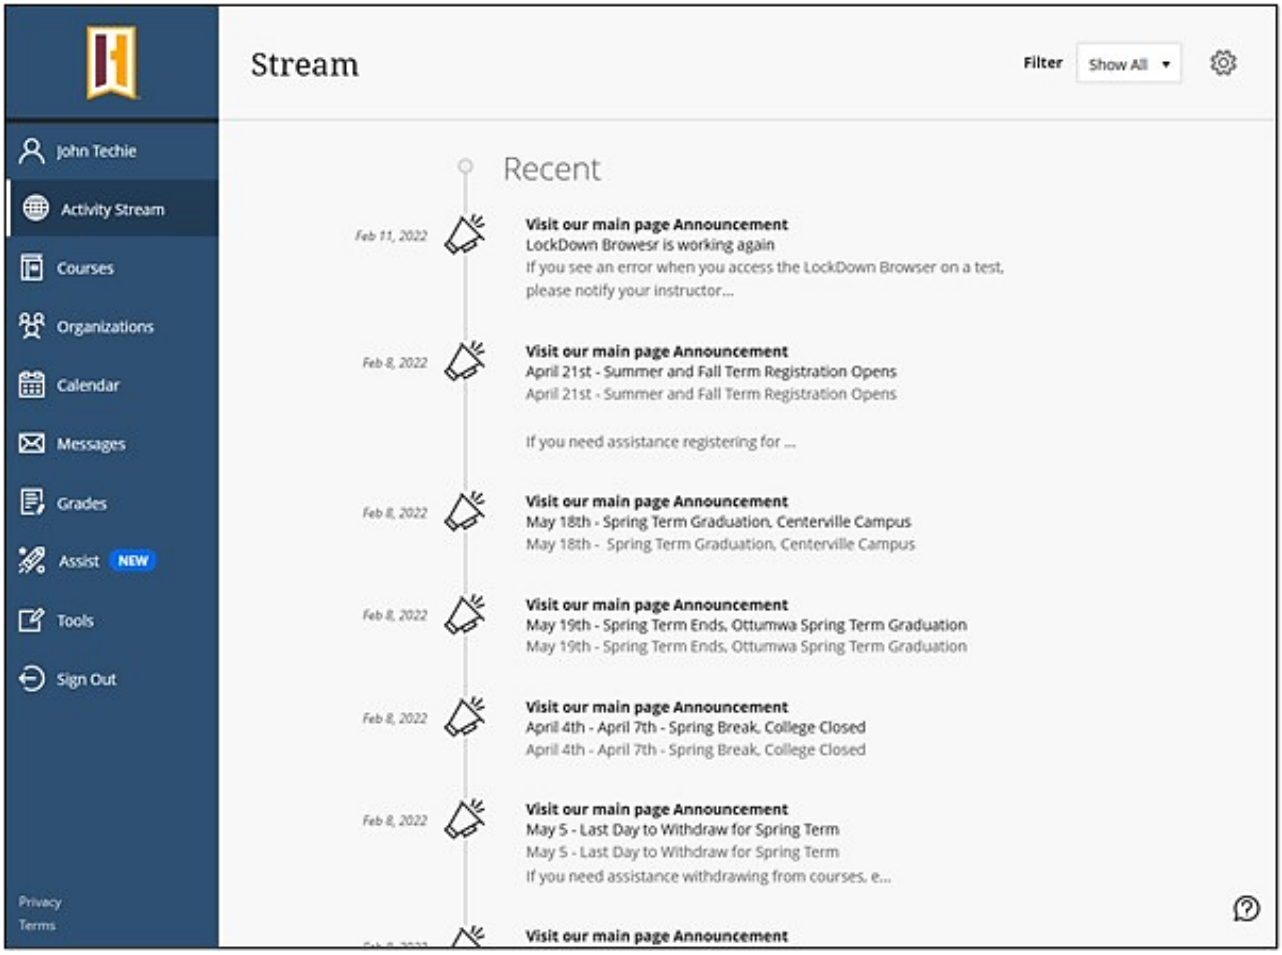
Computer Tutorial:

Navigate and Manage Your MyHills Home Page

Purpose: To demonstrate to students how to navigate and manage their "MyHills Home" page.

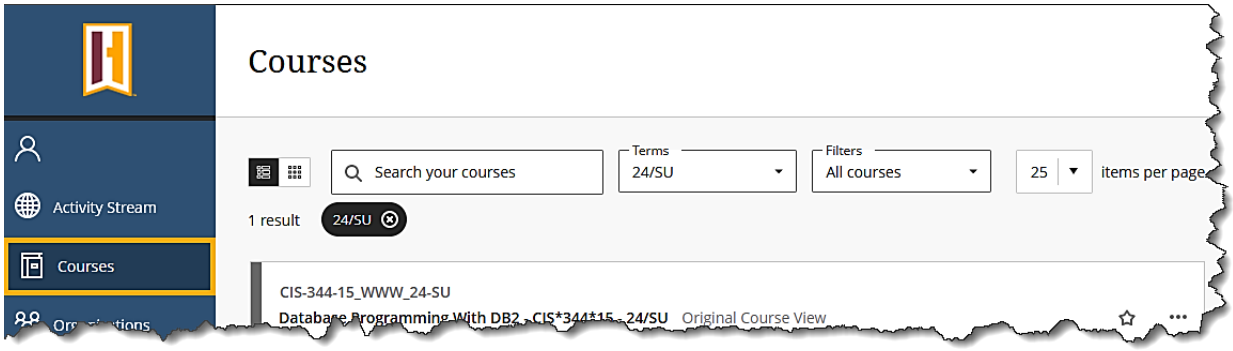
After logging in, you should see your personal "MyHills Home" page.

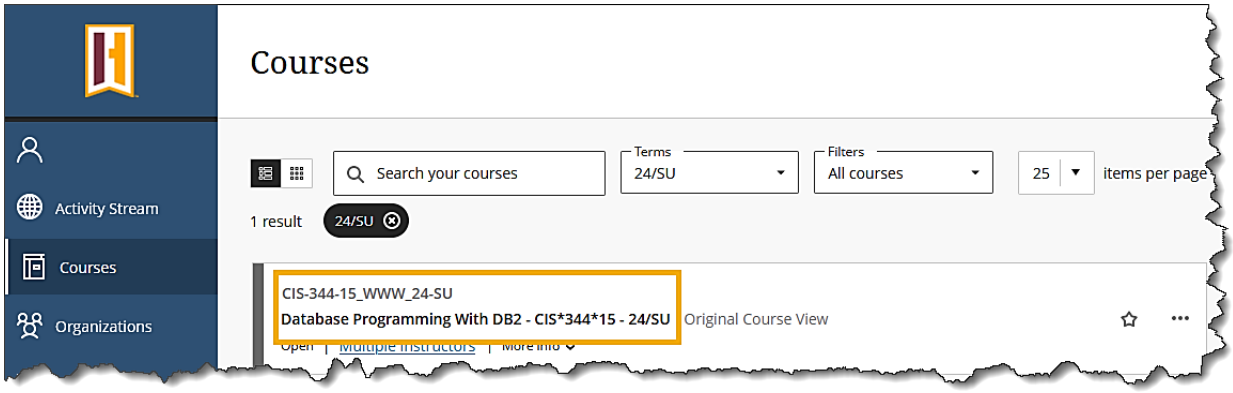
Note: For information on how to log in to MyHills, please see the tutorial "Log In To MyHills."



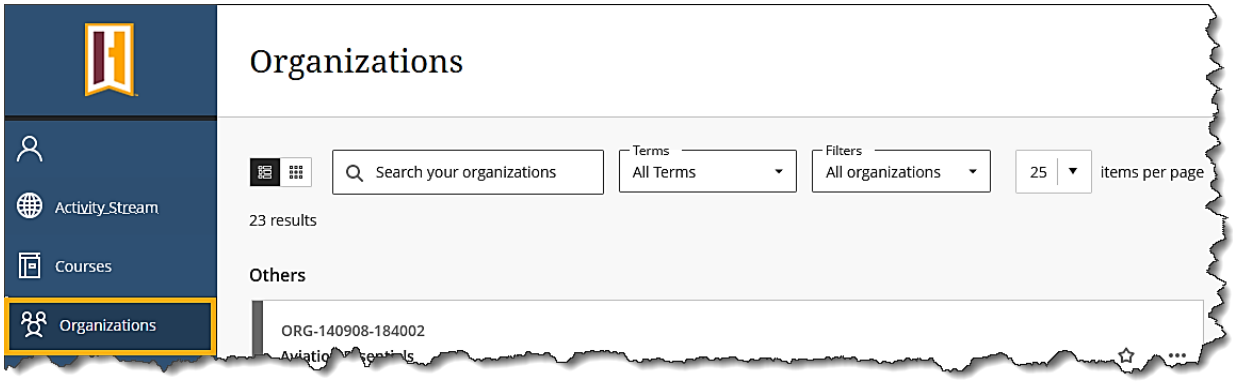
Once you have logged in to MyHills, the "**MyHills**," "**Courses**," and "**Organizations**" tabs are always available in the menu on the left side of the page.

The "**Courses**" tab will take you to your Courses page. On the Courses page, you may perform a Course Search or view your Course List. Click on the title of a course to enter it.



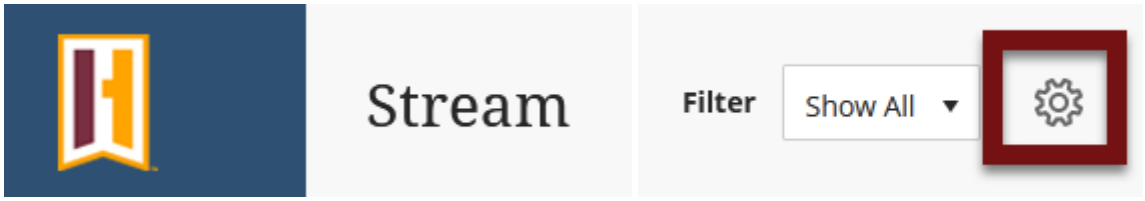


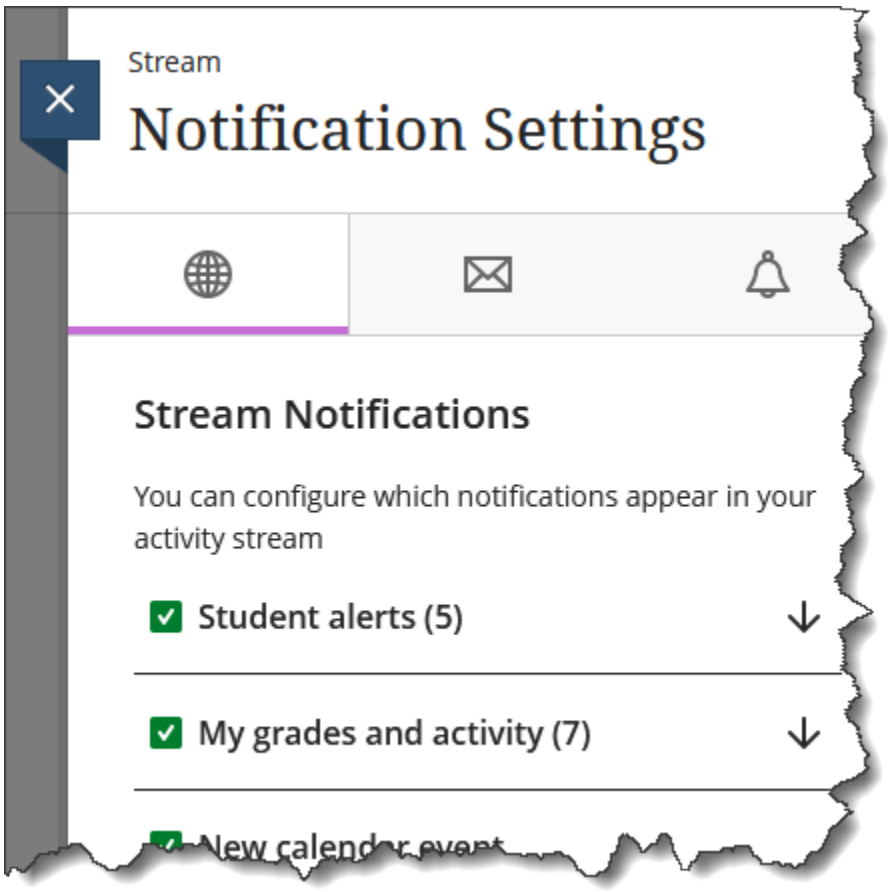
The "**Organizations**" tab will take you to the Community page. The Organizations page includes information about the SUCCESS Center and the Educational Opportunity Center (EOC), along with information about other clubs/organizations of which you may be a member.



Additional links include **Messages**, **Grades**, and **Tools**.

Click the gear in the upper-right corner to view and edit settings for your Activity Stream, Email Notifications, and Push Notifications.





Congratulations! You now know the basics of how to navigate your "MyHills Home" page!
