**Pre-registering is not binding, it just tells us you have interest and how to contact you with updates.**

The Paramedic program prepares individuals to use critical thinking skills to provide treatment and transportation for patients with illness or injury-related disease under medical oversight. The Paramedic provides both emergent and non-emergent advanced medical care for patients, performing skills in a variety of possible settings some of which include pre-hospital, emergency departments, critical care units and cardiac cath labs. This course includes classroom, lab/simulations, clinical time, ambulance time and a capstone internship to accomplish its goals. This program is fully accredited by CAHEP/CoAEMSP and follows the most current National EMS Education Standards.
