

Breadtopia is seeking to hire and train the right individual as our MockMill Warranty Service Technician (part-time). Qualified candidates should be extremely detail oriented, possess excellent verbal and written communication skills, be comfortable learning to diagnose and repair mechanical kitchen appliances, and be comfortable learning various computer programs to track and complete their work. We will provide on the job training and support as well as all the tools necessary to assist our diverse customers in their home grain milling journey. We offer a competitive wage, paid holidays, and paid time off in a family-owned business with a friendly and collaborative environment.

Qualified candidates should contact Dennis (dennis_a@breadtopia.com) to apply.
