

Iowa Early Learning Standards - 3rd edition Post-Training Survey

The purpose of this training was to provide orientation to the Iowa Early Learning Standards 3rd edition, how to use the standards to plan developmentally appropriate activities and lesson plans, and why the standards are important to impact child development. Please complete the survey to help us make future plans. Thank you for completing the survey.

1. I learned the following three or more things about the Iowa Early Learning Standard 3rd edition that will help me use the standards:

2. I will read or use the Iowa Early Learning Standards 3rd edition:

- never
- for lesson planning
- to guide staff training
- to talk with parents/families
- to talk with staff
- to talk with center board of directors or community members
- other:

3. I intend to read the Iowa Early Learning Standards 3rd edition to help me know more about how children learn:

- never
- less than one time per month
- at least monthly
- once or twice per month
- weekly
- daily

4. I have these questions about the Iowa Early Learning Standards:

OVER 

5. Please have someone contact me to help me:

- develop activities
- write lesson plans
- use the standards during staff training
- use the standards when I talk with parents/guardians/family members
- use the standards when I talk with board members
- use the standards when I talk with community members
- use the standards when I talk with elected officials
- other:

name

phone or email

6. I suggest more training in these topics to help people use the Iowa Early Standards (list):

Please rate the following (1 as the lowest and 4 as the highest):

I understand "What are the IELS."

not		very
at all	-----	well
	1 2 3 4	

I understand "Why are the IELS Important."

not		very
at all	-----	well
	1 2 3 4	

I understand "How do I Use the IELS."

not		very
at all	-----	well
	1 2 3 4	

The training was:

not		very
helpful	-----	helpful
	1 2 3 4	

I believe parents want children to gain skills.

not		very
at all	-----	well
	1 2 3 4	

I will change what I do because of the IELS.

not		absolutely
at all	-----
