EXPECTATONS				
<p>International Friendship program is a great opportunity for international students at Indian Hills Community College to experience American life and culture outside the college setting. Likewise, it is also a great opportunity for the family to learn about diversity and world cultures. As a participant in the program, we recommend you to meet with your warrior at least one time a month and keep in contact with them throughout their time at Indian Hills Community College. In order for the student to get the full American culture experience, we also recommend that you involve your student in simple activities such as; carving a pumpkin, attending a parade, making an American-style dinner, or any other activities that you consider traditional. We also request that you spend time with your warrior during their birthday and holiday breaks.</p>
