# CLEP Examination

Indian Hills Community College complies with Iowa College's agreement that only CLEP scores meeting ACE recommended scores receive credit (see chart below). Students may use a maximum of 18 credits towards a degree at Indian Hills, although CLEP Exams will not influence your GPA (grade point average). IHCC will award NO credit for transferred CLEP Exams. If you plan to transfer, check the institution policies on transferability of CLEP Exams.

Exams are administered on a computer and are approximately 90 minutes long except for College Composition and College Spanish with Writing which are approximately 120 minutes.
Currently the fee for CLEP testing is $97 per exam to CLEP, and an additional $35 fee to Indian Hills. **These payments must be separate payments. Please complete payment to IHCC at https://ihcc.edu/payformytest using Google Chrome. You will need to log in or create an account. Click Browse>> Merchandise>> Testing Center>>Clep**

If you do not meet the minimum required score to receive credit, you must wait **three months** before you can retake the same exam. Retake fees are the same as original fees. Credit will not be granted if the examination duplicates a course previously passed or failed at IHCC. Scores will be received immediately upon completion except for the College Composition and Spanish with Writing. For those tests, allow 4-5 weeks for your score.
